Gentlemen:-

I have been a collector of coins for many years and have quite a large collection. I have been told by several collectors, of your society and am very anxious to know more fully about it as I have thought many times how convenient it would be to hear of the latest in Numismatics.

I am inclosing an envelope addressed, And would be more than pleased to hear from your society.

Thanking you in advance.

Dear Sir:

Your favour of May 24th is at hand. We take pleasure in enclosing a circular describing the activities of the American Numismatic Society; and an application card for membership, should you decide to associate yourself with this Society.

The Associate Membership dues are but \$5.00 annually, and this entitles you to receive all numismatic publications issued by this Society.

In the event of your considering becoming a member, kindly fill out the enclosed card and return to us together with names of two references, and your application will then be placed before our Council at its next meeting.

Very truly yours,

Secretary
